

**What is Audio-Lingua ?** A collaborative bank of authentic audio resources, recorded by native speakers, for a freely pedagogical or personal use.

**Audio documents ?** Short, on various subjects...

**Collaborative ?** It means that any person who feels interested may contribute sending personal audio documents by filling in the form.

**Authentic ?** Because they are only made by native speakers ! All accents can be useful.

**Aim ?** To train oral comprehension for anyone who would like to improve this language skill.

All mp3 documents published on this website have been authorized by their authors. The files are freely available on the Audio-Lingua website to be used by learners and teachers. They can also be used for exams or language certificates.

**Files are published under a creative commons licence « Attribution – Non Commercial-Share Alike (BY NC SA) »:** This license lets others remix, tweak, and build upon your work non-commercially, as long as they credit you and license their new creations under the identical terms.
